- Removes spray paint, marker crayon and more.
- For all interior and exterior wood, metal and masonry surfaces.
- Biodegradable formula contains no harsh chemicals.
- Water-rinsable for easy cleanup.

SAVOGRAN

Graffiti Remover Biodegradable Cleaner

Description

Removes spray paint, marker, crayon and more from interior and exterior surfaces, walls, doors and windows.

Application

Use on walls, wood, metal, masonry, glass and porcelain. One gallon of remover covers approximately 100 square feet of surface area.

Directions

Store in cool place. Use on upright or horizontal surfaces. If you work indoors, use only in well-ventilated area (see warnings above). Protect eyes with goggles, wear solvent-resistant gloves. Protect skin from splashes. Cover cap with cloth and shake sealed container well, opening slowly to prevent spraying.

- Spray on thick coat of remover. Allow remover to work for 10 minutes. Scrub test to see if graffiti is softened to base. If not, wait a few minutes longer and retest.
- Use a stiff brush or coarse rags to thoroughly wash off graffiti with warm water solution of TSP heavy duty cleaner.

Important label information

WARNING: HARMFUL IF SWALLOWED. CAUSES EYE IRRITATION ON CONTACT. AVOID SKIN CONTACT. Before use, always read all information and warnings on container. Material safety data sheets available upon request.
