- The power of TSP without phosphates!
- Preferred by painting and cleaning professionals.
- Removes smoke and soot stains from walls.
- Cleans chalked paint.
- Effective deck and siding cleaner.

# TSP Phosphate-Free Cleaner

## Description

A heavy duty non-sudsing phosphate-free formula that cuts through and removes heavy deposits of greasy dirt and grime from woodwork and floor; removes smoke and soot stains from fireplace mantels, walls and ceilings. Use to wash away chalked paint and paint remover sludge. Cleans and restores weathered and mildewed decks and siding.

## Application

Removes grease, oil and sooty dirt and prepares painted surfaces for repainting. A heavy duty cleaner with the equivalent cleaning power of TSP for use where phosphate cleaners are prohibited. Removes mildew and mildew stains when mixed with bleach. Use after paint removers for final clean up to remove paint and/or varnish residue.

## Directions

Heavy duty cleaning: dissolve 1/4 cup TSP-PF in 2 gallons of warm water. Household cleaning: dissolve 1/8 cup TSP-PF in 2 gallons of warm water. **Mildewed decks and siding:** remove by washing with solution of 1/2 cup TSP-PF dissolved in 3 quarts of warm water and add 1 quart of fresh chlorine bleach. Use solution to scrub area thoroughly using scrub brush or coarse rags. See safety precautions on the box.

## Important label information

WARNING: harmful if swallowed. Skin and eye irritant-may cause burns. Before use, always read all information and warnings on container. Material safety data sheets available upon request.
