

Tile Grout Powdered

- Waterproof tile repair.
- Can be used as a cement to reset ceramic fixtures.
- Repairs cracked or damaged grouting.
- Cement base dries bright white.

SAVOGRAN

Tile Grout Powdered

Description

A bright-white grout for new tile installation or repair that is waterproof when dry. It mixes to a smooth paste and can be used to set ceramic fixtures or tiles or seal around tubs, showers and sinks. TILE GROUT will not crack or shrink after setting. It sets up quickly and stays white and hard.

Application

Use to grout new tile or replace old and damaged grout. Resets ceramic fixtures and mosaic tiles providing a waterproof repair.

Directions

Remove at least one-eighth inch of old grout, loose particles, dirt and soap scum from joints. Dampen joints but do not soak. Add minimum amount of clean, cool water to powder and mix to smooth thick paste. Let stand 15 minutes, remix often and press into joints with putty knife or other tool. Promptly clean away excess grout with damp cloth or sponge; polish tile faces with dry cloth. Keep grout surface damp (not wet) and allow at least 48 to 72 hours for grout to cure before using shower. To use as a cement, spread TILE GROUT 1/8" thick on back of piece and press into place. Depending on temperature, curing continues for 3 to 4 weeks. Use only clean equipment when mixing and applying grout. Clean tools with water. Reseal package tightly after use. Grout sealing will extend the life of the grout and make cleaning easier. Apply sealer after seven days.

Important label information

WARNING!

INJURIOUS TO EYES-CAUSES SKIN IRRITATION: Contains Portland Cement. Avoid eye contact and prolonged skin contact. Prolonged contact with wet skin may produce burns. Mix in well ventilated area and avoid breathing dust. **EYE CONTACT:** Flush with plenty of water for at least 15 minutes. **CALL PHYSICIAN IMMEDIATELY.** Wash skin thoroughly with soap and water. Do not take internally. If swallowed, do not induce vomiting. Call physician immediately.

KEEP OUT OF THE REACH OF CHILDREN.
